We confirm, that we will neither disclose to a 3rd party nor use the address of Fidlock's contracting partners for any other reason than quality audits or trademark statements needed for custom purpose.

We confirm especially but not limited to, that we will contact Fidlock's contracting partners under no circumstances directly for

- any pricing issues
- any issues connected to orders, delivery time and logistics
- any recruiting purpose
- any quality issue
- any information concerning the business relationship with Fidlock or other third parties.

Any direct contact between Fidlock's contracting partner and us shall be approved in writing by the management of Fidlock. We are aware that a general authorization by Fidlock for all of our intended direct contacts is not possible. Rather, every single intended direct contact, regardless the intended purpose, is subject to a further authorization by Fidlock.

We guarantee that only a carefully selected group of people is allowed to contact Fidlock's contracting partner directly, provided that prior authorization by Fidlock is done.

We confirm that there is a separate effective non-disclosure agreement between us and Fidlock, which also applies for all confidential information acquired by Fidlock's contracting partner. We have also committed our employees and other vicarious agents to a non-disclosure agreement.
